Character Description of Astrid, protagonist of my animated series, “The Flying Dutchess” Photoshop, 2020

ASTRID LEVITHUNDER

Successful, Creative and Clever. Astrid is really into meditation, collecting swords and Tarot reading. She was studying painting, but forced to leave the Art Academy after first year because Duty Called for her in the War with England that started in 1652. Astrid works her way up to be Captain of her own ship, the Stella Umber.

Print Ad for U. of South Carolina, School of Journalism Ran in Shutter Mag. Photoshop, 2017

1. Size

We value quality over quantity. You will work one-on-one with the school's graduate faculty.

2. Connections

Faculty hold leadership roles in the most recognized organizations in our field, including the AEJMC, BEA and IPRRC.

3. Track Record

Recent job placements include the University of Illinois, the University of Minnesota, Auburn University, and Elon University.

4. Expertise

Faculty are experts in their fields and particularly strong in science and health communication, advertising, public relations, communication technology, history and law.

5. Support

We offer excellent financial support as well as additional incentives including research and travel grants.

6. Collaboration

Work closely with our faculty, who conduct research across campus and beyond. Our university is listed as a Carnegie institution of "Highest Research Activity."

7. Curriculum

Our curriculum will allow you to obtain the quantitative and qualitative research skills required for a successful career in the academic arena.

8. Commitment to Teaching

Complete our program knowing how to teach. You will teach in our undergraduate program and take a graduate level seminar in pedagogy.

9. New Technology

Join us in our innovative new building designed for a 21st century communications program. Graduate students enjoy their own graduate education suite.

10. Location

Located in the capital of sunny South Carolina, Columbia has plenty of great restaurants, museums and more. The beach and mountains are just two hours away.
